

## DOWNTOWN ELEMENTARY

### November 10th & 11th

**Cooperation:** Working together to do more than you can do alone.

**This Week's Story:** Exodus 17:8-13  
Joshua Wins the Battle Over Amalekites

**Say This:** Work together to help someone succeed.  
**Ask This:** Who could you work with to help someone succeed?

**Memory Verse:** "Two people are better than one. They can help each other in everything they do." Ecclesiastes 4:9, NIrV

Today, we continued our lessons on COOPERATION. We talked how Aaron and Hur worked together to help Moses keep his arms in the air. The three of them worked together to help Joshua and the Israelites win the battle. God used all of them to do something BIG! You can cooperate with others to help someone else, just like they did. You don't have to get all the attention or all the credit!

**Questions to Talk Through as a Family:**

- \*What does it mean to succeed? How do you measure success?
- \*What is the benefit of working together to help someone else succeed?
- \*Why would you want to help someone succeed if you aren't going to get credit for your efforts?
- \*Whom could you work together with to help someone else succeed?
- \*Can you think of a time someone helped you succeed or you helped someone else succeed?

**Drive Time:**

Play a game of "I Spy" in the car. The goal is to spy people working together while on your drive. Think about construction workers, drive-thru workers, ambulance workers. Remind you child that God wants us to work together.
